

# MITSUBISHI ELECTRIC DUCTLESS PREVENTATIVE MAINTENANCE

Thank you for choosing East Coast as your preventative maintenance provider. For your convenience, payment is due once the scheduled maintenance has been performed on your equipment, not before. Also, if you have multiple indoor air handlers on a single outdoor unit, you'll receive reduced pricing of \$70 for each additional indoor air handler. We appreciate your suggestions and want to continue to be the Heating and Air Conditioning company you rely on, knowing that you'll always Pay Fairly!

Please fill out this form and return it to P.O. Box 8213, Portsmouth NH 03802-8213 to confirm your enrollment.

## Your PMA service includes...

- Full system startup and overall check
- Assessment of system refrigerant charge
- Thorough cleaning of washable filters
- Thorough cleaning of condenser and coils
- Thorough cleaning of evaporator coils
- Visual inspection of wiring where possible
- Electrical amp test of compressor, fan motors
- Cleanout and test of condensation drains
- Thorough cleaning of blower wheel (if applicable)

## OUR PMA PRICING

\$149.00 base price  
\$70.00 per additional indoor unit

But remember - no need to pay until  
the work has been completed!

This service agreement entitles the customer to one visit for a preventative maintenance checkup on the included air conditioning equipment. Equipment that is not included in this agreement will not be serviced during the scheduled visit. Customer will be billed for any desired work on unenclosed equipment. Price does not include any service work that exceeds the standard preventative maintenance that is outlined above. Price does not include any specialty air filters. East Coast HVAC warrants our service work for a 30-day period.
